Thank you!
My thanks, to all who supported the chair working party in the club on Wednesday 5th February. Excellent progress was made. A special thanks to Gill Thomas, who led the evening and donated the material.
The club was a hive of industry for three hours with everyone working hard. The results of their efforts will see all the chairs that have been damaged, re-upholstered.
President, John Rowlands commented, 'This is like the old days, where everyone works hard for the Club'.
