TRAINING 2003

Following the success of the Saturday training sessions held throughout last summer, we are planning to extend the sessions to include Saturday mornings. The programme will include two courses suitable for:

Beginners - This is for members, both Junior and Adult, with no previous sailing experience

Intermediate Sailors - This is for members with some sailing experience, who may wish to improve their skills.

Members will be able to use their own boats, or have access to the Club training boats. The exact format of these courses has yet to be finalised, as this will depend on members requirements.

There is a meeting at the Clubhouse at 20.00 hrs. on Friday 4th. April 2003 or, failing that give me a ring on 01745 345013 (evenings), 01745 536555 (daytime), 07734284745 (mobile) Gus Lees (Sailing Captain).

Congratulations to Paul Moreton

Paul is now a Club Racing Coach after attending the Welsh Yachting Association's Club's Clinic at Plas Menai in March. He is qualified to coach those sailors who wish to progress from Club sailing to racing.

The Regional Squad Training at Plas Menai that has been taking place over the winter months finishes on April 5th. A number of our youngsters have been involved and the sessions have been highly successful and well attended.
