Look familiar?

This is Laredo, Northern Spain, venue for the 49er European Championship at which Tony Lockett was officiating. The bay was almost identical to Llandudno except that a river entered close to the headland in the distance. The two headlands were christened the Great and Little Ormes. The one major difference was the beautiful sandy beach and the temperature!

By the time this edition of N&V is circulated Tony and Janet will be in Athens.

Juniors

After the latest round of the CYRC, Ben Cobley scored an excellent 2nd place at Bala to pull him up into 4th slot in the gold fleet. Meanwhile Ross Moreton sailed his pants off to beat Morys Williams to take maximum points. Ross has led the series from round one, but 12 year old Morys of PDSC has steadily eroded away Ross's points and they are now level with one round to go at Gresford.

Don't forget the PGL Regatta at Llangorse end of August- two days of excellent racing. Gold/silver and unmeasured/wooden/plastic fleets for the Optimists as well as other fleets, so plenty to sail for. Our own Paul Moreton will look after the Optimist fleet, so friendly faces about! See W.Y.A. web site for details and entry forms. Full results can be found on the W.Y.A. web site.
