The Moretons keep Llandudno at the top!

Ross Moreton came second overall in the Silver Fleet of the CYRC . After 7 series, Ross led overall and could not compete in the last round at Gresford due to being on holiday. His nearest rival Morys Williams only had to turn up at Gresford to win the series. As there was only Morys there they gave him the 1st place he needed. As a gesture Morys is letting Ross have the trophy for 6 months. Nice one! Ross travelled to the PGL WYA Regatta at Llangorse over last weekend and for the first time he raced in the Gold Fleet. With two GBR squad and 5 Welsh Squad in the fleet Ross certainly had tough competition. After 4 races he finished a credible 5th overall. Paul Moreton who was PRO for the Optimists at Llangorse has been invited back again for 2004! He must have done something right!
