Welsh Sailing Games

A very successful weekends sailing at the Club saw 40
competitors taking part in this annual event. Organised
jointly by LLSC and the Welsh Yachting Association
with help from the Bay of Colwyn and Royal Anglesey
Clubs, to whom we owe our thanks.
Congratulations to Ross Moreton who, once again, was
the outstanding Llandudno sailor. I think its about time
some our senior members started to shine!
My thanks to our two Race Officers, Maurice Wigzell
and Paul Moreton who completed the sailing
programme under very difficult conditions and to all
club members who worked on the water and onshore
to guarantee the success of the event.
Tony Lockett. Commodore.

Annual General Meeting – 5th December 2003

At the next meeting of the Management Committee, I will be asking the current committee members if they are willing to stand next year. I now wish to take this opportunity to ask some of the newer members of the Club if they would like to get involved in the Club administration. If you are not sure, then talk to some of the current committee members. The only rule is that you must have been a Club member for at least one year prior to the next AGM. There is also the Sailing Committee where new members are very welcome.

Think about it! Make your contribution to the running of the Club!

Tony Lockett, Commodore
