Contact Tony Lockett on 548012
Or
Email: AntonyLockett@compuserve.com

Also wanted a Sky Digibox
Same contact as above

Sailing Committee News

Tractor - A tractor has been successfully trialed on both slipways and the beach. Negotiations are now progressing.

Working Parties - 15/02/04 and 14/03/04. There will probably be some in between those dates as well. Please keep an eye out for e-mails for details. Only a dedicated few turned up for the first on 18/01/04, if we don't do the work we can't go sailing!!!

Board Hut - Work has started on improving organisation of storage in the board hut. There is a lot of unidentified gear here, which will be tidied up. Would owners please do their best to identify this gear and remove any, which is not required. Many of the masts stored behind the Board Hut have not moved for several years. Will owners please identify their property.

Training - a meeting will be held in the clubhouse during March to identify members training needs. Date to be announced later. It is important that members interested in Training should attend. At the moment it is proposed the Intermediates and Beginners sessions both be held on Saturday afternoons. The club has purchased 2 Toppers and another Pico to augment the Training fleet.

Arcadia - Please remember that the Arcadia is due for demolition, and any trailers in the Arcadia grounds must be removed ASAP. Note that trailers can only be parked in the Dinghy park if under a boat.

2004 Sailing Programme - The first race is planned for 28/03/04. The Programme has been changed slightly to reflect the increase in interest in Wednesday night racing, three Trophy races have been added to the programme for May, June and July.

Support the work of the Sailing Committee

By
Joining the Working Parties
15th Feb and 14th March
plus some in between

Bar Duty

6 th February	Tony Lockett
13 th February	Simon Richards
20 th February	Phil Northam
