Training

We held a very successful training meeting on Friday 19th. March. The turnout and interest was excellent.

There will be two groups on a Saturday afternoon- beginners and intermediates- starting Saturday 8th. May.

It was emphasised that each junior must have a responsible adult on shore to help with preparation, launching and recovery.

The kitchen will be open from 5 p.m. onwards and later in the season Sue will organize a Barbeque one Saturday afternoon. If any members not directly involved in the training could offer their services in the kitchen please contact Sue Jones-580623.

The outcome of the evening was that two new families joined there and then and that 6 new girls signed up and 2 ladies!

The pattern we will follow is 3 weeks out of 4 there will be Saturday training at a 1 p.m. start and the 4th. week everyone is encouraged to join in with Sunday club racing for a coached racing session- 10a.m. start.

Clubhouse Keys

Keys for the Clubhouse can be obtained from Club Secretary Ruth Brown- a £10 deposit is required.

BOAT JUMBLE

Items for the 'BOAT JUMBLE' on Sunday 4th April can be left in the 'boat hut' or in the Clubhouse. If you have any unwanted pieces of equipment please donate them and any proceeds will go towards a new Rescue boat for the training sessions.

If you can assist on the stall at Llandrillo College please contact Hugh a.s.a.p. 10 a.m. start.

Club Website

Have you checked out the club website recently? It has been revamped by Peter Richardson and looks really good. Thanks Peter.
