26th November 2004

Some of you missed the last Dinner Dance, so get this date in your diary and remember to book early!

49ers

Tony Lockett has been made a member of the Executive of the 49er International Class Association as an Advisor on Race Management. This will involve Tony in the 2005 World Championship in Moscow, the 2005 Europeans in Copenhagen and the 2006 Worlds in France

Club Re-development

The working party set up by the Commodore had a recent meeting to look at progress towards the re-development of the Clubhouse. There is still no decision as to what is happening on the Arcadia site, so the situation remains unclear as to how the Club will proceed.

Optimist Nationals at Largs

Several of our young sailors are competing in this event at the Largs Sailing Club. We wish them well in their endeavours.

The Olympics

Keep an eye out for Janet Lockett. Janet is on Charlie course with the 470 Men and Women and the Tornado's.

Janet is operating the two Recall signals (Flag 'X' and the 1st Sub).

Tony has two jobs.

As co-ordinator of the ISAF International Race Officers and as Race Officer, on Bravo course with the Men and Women Mistrals and the 49ers.

As Co-ordinator, Tony is involved with a breakfast meeting at the Hotel with the other IRO's to evaluate the previous day, followed by meetings with the other senior members of the Organising Committee at 9.00 and with the Greek Race Management team at 9.30.

Racing starts (wind and weather permitting) at 13.00 each day.

The BBC have assured the RYA that there will be greater coverage of the sailing than at previous Olympics.

Our best medal chances are in the 49er, Finn, Star, Yngling, Tornado and 470 Men.
