### Dragon Sail

On Friday 12<sup>th</sup>. November Ruth Illiffe, North Wales Regional Development Coach, presented the Club with a certificate giving us 'Dragon Sail' status. This is awarded by the W.Y.A. in recognition of the high standards achieved by the Club in the development of Sail Training.

The nice bit is that we are the first Club on the North Wales coast to achieve this!

Congratulations to everyone who has assisted with the training and made it what it is!

### CLUB TELEPHONE

At the November Management meeting we discussed the Club telephone. It is rarely used these days but we would be interested to hear members' views of whether or not we should keep it.

The phone is costing us money each month but we feel this is a decision that all members should be involved in.

Please e-mail Ruth or Mike Knowles with your view and the matter will be discussed at the A.G.M. in December.

### Bar stock Manager

As from December the Club is without a 'Bar Stock Manager'. This job involves checking the bar once a week to make sure there is enough stock; obviously there are busier times than others and the Club is used on a Sunday evening by the divers.

As we now only sell cans, there is some heavier work involved when buying quantities of beer and lager.

The said person is issued a 'float' from the Treasurer and then, hopefully, looks around for the best bargains. We also have a 'Bookers' card.

Anyone wishing to book the Club for a 'private party' tends to tell me, and I will inform the bar person that extra stock is required. I am happy to act as 'back-up' to a 'new kid on the block!' (Is that a good thing or a bad thing, I hear you asking!)

The bar is a valuable part of the Club so please consider the appeal and talk to Mike or I, for further information.

**Thanks- Ruth - P.S. mine's a large Gin and Tonic!**

### Our Juniors do it again!

Congratulations to Alex Lomas, Chris Williams and Liz Gowers who gained 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> in the Youth Handicap Fleet on the North Wales Club Youth Racing Circuit. Dan Evans was 2<sup>nd</sup>. in the silver Oppie fleet.

**Our juniors are doing us proud.**
