### Dubai Junior Regatta

Maurice Wigzell, John Newland, Janet and Tony Lockett acted as the main members of the race committee for the Optimist course at the Dubai Junior Regatta, 25<sup>th</sup> to 30<sup>th</sup> January. Before that event the foursome were the race committee for race 2 of the Maktoum Trophy Series, a 108 mile offshore race.

For Maurice it was a bit of an eye opener. He was in Dubai in 1998 for the World Championships of Sailing. What was desert then, is now full of high rise towers. John, being new to Dubai, just sat with his mouth open!

This is the eighth consecutive visit for Janet and Tony, who are equally amazed at the rapid changes taking place.
