### Congratulations

To Ross Moreton for his excellent performance in helping the Welsh team to 2<sup>nd</sup> place in the Eric Twiname Trophy at Rutland Water.

To Tom Jowett who was the overall winner of the Silver fleet at the CYRC event at Abersoch on 7<sup>th</sup> / 8<sup>th</sup>. May.

Llandudno Juniors continue to show the way!

### Frank Chapman

Frank Chapman, a former member of the Club, passed away on May 5<sup>th</sup>. Frank was a freelance journalist who arrived at every major championship in Llandudno for almost twenty years. His excellent reports in the Daily Telegraph helped establish the Club as a major venue for National Championships.

Frank presented the Club with a tankard to be given annually 'for services to the club'. It is still the most prized trophy in the club, the recipient's name being kept secret until the Dinner Dance.

Frank was well known for his colourful language and his ability to use it without provoking offence. A few of our older members have fond memories of some of the ripe comments passed by Frank during the course of a championship.

A good friend of Llandudno Sailing Club. May he rest in peace.
