The Management Committee will be monitoring the situation and will try to reduce the disruption to the absolute minimum.

Message from Sailing Captain

Now that we are getting bigger fleets racing, a good working knowledge of the Racing Rules is becoming more important. We will be holding a 'Rules' evening at the end of July to remind ourselves of the basics and of the penalties we should be taking when we find ourselves in the wrong.

Ruth has small R.Y.A. Rule books available at £2.80
