9er Weekend

Commodore, Hugh Lomas and the two Race Officers, Paul and Tony, want to thank members for the magnificent effort everyone put into ensuring the event was a success. Although there was a poor turnout from the sailors, the feedback from them and Dave Hall, the class rep, was excellent. Negotiations are now under way to host the 29er and 49er Nationals in 2007.

Well done everyone! Now for the Phantom Nationals in August!

Management Committee

It's getting to that time of year when we need to look at next years Management Committee. A number of prominent people are due to retire this year, their term of office being well and truly up.

An injection of new blood with new ideas would not go amiss. The only qualification is that you must have been a full member for a minimum of one year.

Interested?

As usual, see Ruth.
