### Phantom Nationals

A big thank you to everyone who contributed to the successful Phantom Nationals. Everyone pulled together to give our guests a great time and it was very much appreciated. There is a copy of the excellent report in Yachts & Yachting on the Notice Board.

**Now for the 420 Nationals in 2006!**

### The Heroes of the Phantom Nationals

The beach party did a fantastic job of launching a boat every 40 seconds in a very uncomfortable swell on the Saturday. Well done! Your contribution has enhanced the clubs reputation as a well organised championship venue.
