#### Social programme

There are several social functions coming up in the next three months before the sailing season starts.

Most will be held on Friday evenings.

#### Be there! Support YOUR Club!

In addition to that there are several talks on sailing matters in the same period. In particular the most important one is that given by Paul Moreton on what you do when you are Race Officer for Club racing.

#### Be there and then you won't spoil the racing by getting it wrong!

**Next talk is on Friday 13<sup>th</sup> January at 20.00**  
The topic – The new Olympic Race Format
