Its worth getting up early just for the food!

### Club Regalia

Ruth has some ties and baseball caps remaining from a previous order. These are now being sold off at a very reasonable discount price of £3.00. You know where to find her!

### Olympic Competition Format

Tony Lockett gave a talk on the new Olympic Competition Format, which will be introduced at the 1<sup>st</sup> Test Event in Qingdao in August this year. Tony explained the importance of the Olympics to the financial security of the ISAF and the reasons behind the need for change and particularly the impact of TV. Tony also expressed considerable reservations about the wisdom of implementing a new format at a venue, which is notorious for strong tides and light winds. Sixteen members enjoyed the talk and the sandwiches provided by the Ladies.
