Rules night

Friday 10th March @ 20.00

Paul Moreton will be going over some of the most important aspects of the Racing Rules of Sailing

Be there!

With your Rule Book!

It's not good enough!

In last months N&V, a Valentines Social event was well advertised. There were also posters in the Clubhouse. This social was arranged by the Ladies to raise funds for a new cooker so that they can produce food for the sailors, particularly on Wednesday nights.

Of the few who attended, there were only two regular sailors.

So sailors, you could well have shot yourselves in the foot!

No support from you for the Ladies, could mean no support from the Ladies for your inner needs!

**Next time there is a social event of any kind
SUPPORT IT!
If the cap fits, wear it!**
