Congratulations

To the Junior Committee for producing their Junior version of News & Views. Editor, Charley McNamara has done a great job producing the first edition, which is now available on the Club website. Please do your best to give her some help with items for publication.

Southport Junior 12 Hour Race – 30th June

The Junior Committee are hoping to enter a team in this event. Sailors and supporters are required. Sign up now!!

Electricity

Mike Knowles, like all good Treasurers, gets concerned when an over large bill has to be paid! This happened recently with the electricity bill.

Mike is therefore asking everyone to make sure that any heating or lighting which is turned on, is also turned off.

The heating in the bar and snug is on a timer and these should not be touched. The heating in the front room is on separate timers which can be over-ridden to switch them on. Please ensure that you turn them off afterwards.

Bar Manager

We are urgently in need of a Bar Stock Manager. This is an important job in the smooth running of the Club and the said person does not need to be a member of the Management Committee. A brief run through of responsibility is:

- o ensuring the bar is kept stocked at all times
- o liaising with the Treasurer re. stock and financial arrangements
- o ordering kegs from the brewery, when needed and arranging a delivery time.
- o ensuring the bar is stocked daily during weekend and week long Championships.

Believe me, it is not as bad as it looks! We have 2 week-end and one week long championship this year and need to fill this position quickly- maybe even job-share!

Please contact Ruth on above e-mail address or telephone on 549900, or contact Mike Knowles on 540616.

Out and About

Tony Lockett has recently been on his travels again as an Instructor at ISAF Race Management Seminars and Clinics. The weekend of 18th March, the Moscow Sailing School was the venue followed by Aarhus in Denmark on the 25th March.

This was the venue, in Moscow, for the 49er World Championships in 2005. Up to 30 people were fishing through the ice on Sunday 18th March!

Dates! Dates! Dates!

2nd April

Sailing Committee @ 18.45
Management Meeting @ 19.30

8th April

Easter Tankard @ 10.30

21st April

Mike Knowles

540616

25th April – Wednesday-

Maurice Wigzell

549292

2nd May

John Shorrocks

544017

First Out Trophy

The new season started where the last season ended, with Andy McNamara winning the First Out Trophy crewed by Charley. To complete the party Connor was in second place in his Optimist. Who is going to stop them having another wheelbarrow full of trophies at the end of this season?

2007 Programme

It has been pointed out to me that the 2006 Trophy Winners have not been published in the 2007 Programme. I apologise. An oversight on my part! However, I will arrange to have the list placed on the Racing Notice Board as soon as possible. – Tony Lockett

Championships

The first event of the season will soon be on us. We host the Mirror Class Welsh Championship at the end of May. The request for helpers will be placed on the board at the top of the stairs shortly.

Please sign up as soon as you can

Thought for the Month

Begin at the beginning and go on till you come to the end: then stop

'Alice'
