News and Views – Circulation

Some members have been experiencing difficulty receiving N&V by email. The joint-editors, Ruth and Tony, have therefore decided that this service will now cease. In future, 20 paper copies will be left in the clubhouse, as at present, for those **NOT** on the internet. A copy will continue to be posted on the club website (see address above) for those with internet access. A PDF reader will be required.

Please continue to read, digest and contribute to N&V

THE BAR ROTA FOR THE 420 WEEK IS ON THE BLACKBOARD IN THE CLUB – PLEASE SIGN UP SOMEWHERE ON THE LIST!

**IT WILL BE VERY BUSY, SO EVERYONE IS NEEDED, EVEN IF YOU HAVE NOT MANNED THE BAR BEFORE WE WILL TEACH YOU!
THANKS RUTH**

Dinghy Park

Several boats, including club boats, have not been tied down in the dinghy park after use. All boat owners and users of club boats are asked to ensure that the boats they have used are securely tied to their trolley and also secured to the anchor points in each berth. In the past it has been known for boats to be physically lifted off their trolleys, causing not only damage to the boat itself but to other members boats as well.

Belt and braces please!

Ysgol John Bright Sailing Club

Thanks to the efforts of pupils Charley McNamara and Tom Jowett, joined by staff members Lis Woods and Nick Fleet, the sailing club at John Brights has been revived.

The school club will sail on Monday evenings after school (3.45 to 7.00pm) during term time. The Club are supplying a rescue boat and the tractor. Andy McNamara is the club link person.

Welsh Yachting Association Development Officer, Ruth Iliffe, is providing the Instructors.

Some 20+ years ago there was a very strong club at the school, which had strong links to LLSC. The Commodore and committee are keen to see this cooperation develop strongly once more.

It's the biggy!

The 420 Nationals, 18th to 25th August **YOUR CLUB NEEDS YOU!**

There are three duty rosters to be filled as soon as possible please. Sailing, Bar and Galley. Put your name on the appropriate sheets at the top of the stairs in the Clubhouse. We need approximately 20 people on the water every day from 8.00 am till sailing finishes. The Bar needs manning every lunchtime and all evening and of course the ladies in the Galley require help particularly when the hungry mob comes off the water! Every little bit of time you can offer makes a significant contribution to the team effort required to make the event a success.

Saturday 16th September **THANK YOU PARTY & DISCO**

For all the members who have contributed to the success of this years championships.
It's a freebie!

Wheelie Bin

We now have a wheelie bin! But, please continue to put rubbish in the black bags BEFORE placing it in the bin!

Junior Notice Board

Can those of you contacted by Oli Moreton ref photographs, please supply them in the next 2 weeks for display in the clubhouse'

Congratulations

To Tom Jowett who finished 2nd overall in the Optimist Gold fleet in the 2006 North Wales Celtic Youth Racing Circuit

Smoking

For some time there has been a smoking ban in the Clubhouse on Saturdays when Training takes place. It is a condition of our grant aid for the Training.

Next year, it is anticipated that there will be legislation passed either in Westminster or the Assembly, banning smoking in all public enclosed spaces. This includes private members clubs such as ours. The Management Committee will have no option but to implement this legislation when it arrives, meanwhile, in anticipation, smoking members are asked to implement a voluntary ban of their own.

We ask for your cooperation in this matter

Earthquakes

Beware the aftershocks. They can vibrate for some time!
