Training Regatta Sat 16th September

A very big 'Thank You'

To everyone who assisted during the recent 420 Nationals. No matter how mundane, exciting or just plain boring the job was, everyone did it with a smile! The 420's were complimentary about our organisation, our very friendly approach to everyone and our superb sailing. Well done! The Class made an award to Gareth Roberts in particular for his valiant efforts in getting the fleet on the water on the rough day, particularly in the incident when the boat rolled on top of the launching party and the crew was injured. Gareth also lost his glasses!

Saturday 16th September

As you will see from the three banner headlines above, Saturday 16th September is a very busy day for the Club.

Training Regatta

This will take its usual format with details going on the Sailing Noticeboard shortly. No doubt Lucinda will also be letting all the trainees know the details soon.

Consultation Day

While the Training Regatta is taking place, there will be a display of the proposals for re-developing the Clubhouse. This will be open to all members and the general public. Invitations will be sent out to local Councillors and other bodies who have offered support to our plans.

You will have an opportunity to comment!

Be there! Don't gripe in the future if you don't have your say now! There will also be the opportunity, weather permitting, for visitors to have a trip round the Bay in a RIB.

Thank you party

This is for everyone who has contributed to the three successful Championship events run this year. That is just about everyone in the Club, young and old!

Come along and reminisce about your part in the events. The ups, the downs and the plain boring parts!

It's your Club!

Support your Committee by attending these activities!

AGM and Dinner Dance

The Dinner Dance this year will be held on Friday 24th November. Details next month.

The AGM will be held on the same weekend but at 11.00 am on Sunday 26th November. This is to allow people who live a way to make a full weekend of the two events.

Put both dates in your diary now!

Southport 24 Hour Race

Its only two weeks away! Andy is arranging a quiz to raise some funds. It is on **Friday 1st September @ 20.00.**

Entry £2.00

Management Committee

Mentioning the AGM reminds me that it is time for members to start thinking about next years Committee. If you are interested in taking an active part in the running of the Club, then see Ruth. She will brief you on what the commitment is all about.
