Onboard

Onboard is a scheme run by the RYA with the intention of getting as many children into sailing as possible. It is sponsored by **TEAM ORIGIN**, the British Americas Cup Team, led by Ben Ainslie.

The Club has been recognised by the RYA as an 'OB Centre' and is the only one in North Wales. Working with the OB Development Officer (ODO), the club are looking to expand the opportunities for local schools to get into sailing.

This is an exciting development which will require an input from a number of members. Please contact Gareth Roberts (01492 546160) or email gareth63@btinternet.com if you feel that you are in a position to help.

If you want to know more about OB then go to the RYA website www.rya.org.uk/onboard

Life Members

The Management Committee have made two long-serving members, Life Members. Norman & Marjorie Brierley (Commodore 1971-73) and Bill & Betty Craven (Secretary 1978-81)

WANTED: A KITCHEN / CATERING MANAGER

We have a lovely new workable and modern kitchen, at last! Unfortunately, we do not have anyone to take 'charge' of it!

What we need is a member, or a couple of members, willing to 'make sure the kitchen is kept clean and stocked with all the necessary - tea / coffee / washing-up liquid / dishwasher powder / milk etc.' This will be an ongoing task through the season. A float would be set-up with Mike Knowles, our Treasurer.

If the kitchen is to be open on Wednesday evenings during Sailing a Rota of willing helpers will need to be put together.

It is hoped that on the Training Saturdays the parents will volunteer to 'man' the kitchen at either lunchtime or late afternoon.

During the Championships a Rota will be organized and it is likely that one person will be appointed 'Kitchen Chief' for the day and they will be responsible for getting their team around them and deciding what to put on the menu that day.

If you can spare an hour or so a week please contact Ruth Brown - ruthlessinthebay@hotmail.com or 07769796054 - Thanks

Loan scheme

The Management Committee have approved a 'members loan scheme'. This is to help finance further development of the club facilities. More details will be circulated shortly with a start being made in May.
