Southport

Our Club Junior team finished 8th overall in the Southport Junior Twelve Hour Race. This is one place better than last year but slightly disappointing as they were well placed in 5th position with an hour to go. Two separate incidents on the water saw them penalised a total of three laps. This was a strong wind race in which they gained experience of these conditions. Some of them will be sailing in the two boats the Club are entering in the 24 Hour Race in September.

24 Hour Race - 13th & 14th September

The list for signing up is now on the Notice Board.
Please sign as soon as possible

Clubhouse Development

The Development Committee are swinging back into action. If you have looked at the 'Development Notice-board' recently you will have seen very little change. This is due to the decision made earlier this year to make a phased redevelopment over the next four years.

Phase 1 - Snug, Bar Lounge, Main Lounge Refurbishment

This is the first phase and will begin in September with the Snug, followed by the Bar Lounge, then the Main Lounge.

Refurbishment of the Bar will also take place provided we can achieve the targets in the ladder alongside.

Fund Raising

It is important that every club member actively supports fund raising events. If we have cash we can match it, therefore we need several new fund raising ideas. See other items in this N&V
