Club Racing

The best June weather for a decade.

A disappointing turn out for June!

Where has everyone gone?
Blue seas, blue skies and a steady force 3?
These are ideal conditions catering for all sailors,

SO, LETS SEE MORE OF YOU OUT THERE!

Dolphins

On several occasions Dolphins have been seen in the Bay. Ysgol Craig-y-Don saw several off the Great Orme on their taster day. However the best display came in the Constable Buoy Race when another group of dolphins raced the boats out to the Buoy. In particular they seemed attracted to the McNamara family with six dolphins alongside Andy's boat and another group around Connors. In the latter case Connors boat was actually touched by a Dolphin!!

Jellies

Big Jelly fish have also been seen in the bay. Take care when handling any ropes, particularly anchor lines, as the jelly stings which get caught on the line can be quite painful.

Race Training Centre

The Club has passed its annual inspection as a RYA Race Training Centre. Gareth was given a grilling by the inspector from the RYA and the result was approval once more. To assist with this process in the future, an audit of all club member qualifications and expiry dates is being made. Some of you will have received an email from Tony Lockett asking for this information which eventually will appear on the club training notice board. It would be appreciated if you would respond as soon as possible.

Onboard

The Club 'Onboard' scheme has expanded this year by including year six from local primary schools. In May approximately 30 children from Blessed William Davies RC Primary School had a taste of sailing when they spent two Friday afternoons on the water. This was followed in June by approximately 45 from Ysgol Craig-y-Don. This school were fortunate enough to see a pod of dolphins by the Gt Orme which enhanced their experience. A further 15 children from Ysgol Tudno will be taking their turn on the water this month. All this has been done with a small team lead by Andy McNamara and Gareth Roberts, assisted by Tom Jowett, Ceri and Phil Roberts, Ross Moreton and Phil Corfield. The programme started last year with Conwy Sea Cadets was also expanded to include a new group of twelve trainees while last years group returned to further enhance their skills.

Club Training

In addition to the above, Friday night Junior Training has gone from strength to strength with 15 regulars turning up. Equally successful has been the Saturday six week training course with a further 12 adults taking to the water.

Constable Buoy Race
