GP14 Welsh Championship

Thirteen boats entered this event held over the Spring Bank Holiday. A disappointing turn out. Paul Moreton and his Race Management Team produced some excellent sailing in trying conditions. Saturday was wet with a gusty SE wind which faded allowing only two races to be completed. The forecast was not good for Sunday so Mike Knowles decided to take the committee boat back to Conwy. Three races were completed on Sunday using a RIB as CB and with a force 4 – 5 NW blowing some excellent racing was had by the fleet. Thanks to all who helped out. Now for the Supanovas.

Onboard Training

Gareth has negotiated with three of the towns Primary Schools to give an afternoons 'Taster' course to year six. The first school, Blessed William Davies RC Primary, successfully completed their two sessions in May. Ysgol Craig-y-Don are booked for three Friday afternoons in June with Tudno School following in July. In each session the group of twelve are divided into four crews of three. Each get sailing experience in a GP14 while the other half are taken around the Ormes in the two RIBs. Then they swop over. By the end of the summer approximately 100 children will have experienced an afternoon on the water.

They all gave sailing a 'thumbs up'
