Changing Rooms

The Ladies Changing Room has been refurbished with new showers, new flooring, shower curtain and a complete re-paint.

Ladies, it is up to you to keep it neat and tidy!

On Monday & Tuesday, 6th & 7th June, the Men's Changing Room will be closed for a new floor covering to be laid. Please ensure that after sailing on Sunday 5th June that **ALL SAILING GEAR IS REMOVED**. It would also help if the sailors on that day could move the benches so that the floor area is unobstructed for the laying of the new covering.

Looking forward to your cooperation in this project!

If any men wish to do a bit of painting and decorating while the opportunity is there that also would be much appreciated.

Line Dancing

Some 60 people attended the first 'Line Dancing' in the clubhouse.

A highly successful event organised by Kit Edwards and Sue. Andy, Debs, Phil and Elaine worked hard in the kitchen producing an indoor BBQ which was enjoyed by everyone at half time, then it was back to the dancing.

Thanks to all the workers and members who supported the event. If anyone has more ideas for social events please do not hesitate to tell us.

Watch this space for another 'Line Dancing' date in September

Clubhouse Development Update

It has been a frustrating time recently in the building programme. We are currently waiting for the contractor to lay the seal on the roof to make it water-tight. Unfortunately he got a big job just before our order went in so there will be a delay. However, all is not doom and gloom. The external staircase is in, the windows and external doors are fitted and the first fit of the electrics has been completed.

The most significant part is the small jobs that have been completed by Jim Williams, Maurice Wigzell and Roy Boswell amongst others, concreting the area outside the bar store, fixing the drainage, etc. It is highly unlikely that the balcony will be open for the two main events of the season but it is very important that the site is cleaned up before our visitors arrive, therefore when the call comes for a working party, shovels and brushes would be quite useful!

A few members have put a lot of work into this project. Are you one of them?

If not, your assistance would be much appreciated to spread the work load!

Juniors T-Shirts

If anyone is interested in purchasing junior T-shirts with the club logo, then please fill in the order form on the right hand notice-board at the top of the stairs (through the double doors). For more info contact Clare Kite clarekite@googlemail.com
