Changes to the Sailing Programme

This year there will be a Sunday Silver Series, and a Wednesday Silver Series, designed to encourage more participation in Club Racing.

All the sailors in the Club have been designated in the Gold or the Silver series, dependant on their previous Club racing records. A list of Gold Fleet helms will be posted on the Sailing Notice board before the start of the season. All other helms will be included in the Silver Fleet.

Only those in the Silver Fleet will be allowed to win points in the Silver series, and those in the Gold fleet will be encouraged to crew for Silver Fleet helms.

Points gained in the Silver Series will not count towards Club Championships.

Building Progress

Hopefully, by the next N&V the roof should be on and the building watertight. Thanks to all those who put their wellies on and paddled in the concrete!
