Clubhouse extension

As you will see when you arrive at the club, progress is being made, albeit, very slowly, on the club extension.

Most external doors and windows are in place. Orders have been placed for the asphaltting of the roof, the external staircase and the balustrade. Quotes for the door linking the club to the viewing deck are being obtained as are quotes for the electrical work inside the building.

Our thanks go to Mostyn Estates once more for their provision of expert craftsmen.

We still require input from club members for general labouring skills. When an appeal is sent out by email for members to attend a working party please endeavour to make a contribution.

Topping Out!

The roof is on!
The first pints were drunk to celebrate!
Let's get the job finished so that we can ALL stand there and enjoy the drink and the view!

Dates! Dates! Dates!

Mon 2 nd May	Sailing Committee cancelled
Sat 7 th May	Line Dancing @ 19.30
Mon 9 th May	Management Committee @ 19.30
Sat 16 th May	Private party
Sat 28 th May	Fun Day racing

Championships

Ruth has placed at the top of the stairs the Bar and Kitchen rotas for both the Topper Weekend (Sat 25th & Sun 26th June) and the Albacore National Championship which is being held over three days, (Sat 2nd to Mon 4th July). Please make every effort to sign up as this brings in valuable revenue. These events help to promote the club thus ensuring income from future events.

Sunday 22nd May

There is no racing on this date (see programme). This is due to a major running event through Llandudno which will be utilising large areas of the promenade at the time we would be launching.

Ladies Changing Rooms

The Ladies Changing Room have now been re-decorated; the showers have been replaced and now work on a push button for sixty seconds.

To complete the refurbishment a new floor covering will be laid in mid May.

Fun Day

Saturday 28th May

This is a new event in the club programme aimed at the family sailing together.

It is obviously a very weather dependent event so the sailing committee have programmed a second day (Sat 11th June) if the first is unsuitable.

Watch the Noticeboard for further information about the event.

Training

Junior training commenced on the Royal Wedding Day, Friday 29th April. Despite the distraction of William and Kate, seventeen juniors out of the twenty signed up, arrived for this the, first session.

Under the direction of Senior Instructor Charlie McNamara, Dinghy Instructors, Ceri, Tom, Phil and Ross assisted onshore by Connor McNamara, took the group through their first session on the water. A number of the juniors will be competing in the first CYRC event of the season on May 1st at Rydal-Penrhos in Colwyn Bay.

Our Training Coordinator, Vice Commodore, Gareth Roberts will be helping Bay of Colwyn Sailing Club, by providing rescue cover with one of the club RIBs.

Membership

Increasing our membership is vital to the continued success of the club. If every member persuaded one person to join we would double our membership overnight. Information for new members along with Adult and Cadet membership application forms can be found below the Noticeboard at the top of the stairs.
