### Clubhouse Refurbishment

Hopefully, by the time you read this the refurbishment of the Clubhouse will have been completed. £7,000+ has been spent on the carpets, furniture and fittings for your benefit and enjoyment. I am sure that it is not necessary to say that care should be taken whenever possible, to ensure that damage is not done. The Pool table will eventually be replaced with something less cumbersome for the entertainment of the junior members. Finally, a big thank you to all those members who have assisted with the refurb. Their enthusiasm for the job reflects the essence of Llandudno Sailing Club, a Club run for the members by the members. After a breather to enjoy the fruits of our labours, the Redevelopment Committee will start to look at the next phase and where we go from here, meanwhile Gus has produced a list of dates (see alongside) for the winter work parties. If you were unable to assist with the refurb, perhaps you can now contribute to the sailing work parties!

### Christmas Decorations

Volunteers are needed on

Wednesday 3<sup>rd</sup> December  
@ 7.00pm

to help with decorating the clubhouse ready for Christmas. Help to enhance the recently refurbished clubhouse and give a convivial atmosphere for the festive season. All welcome
