Bill Craven

It is with great sadness that I have to announce the death of Vice-President Bill Craven. Bill passed away on Tuesday 27th October. He was one of the stalwarts of the GP fleet, racing his boat well into his 70's. His name appears on many club trophies. Bill was also a talented boat builder working for Bell Woodworking on some of the very first GP14's ever built. Give him a job and you knew it would be done very quietly and very efficiently. Our condolences to Betty and the family. He will be sorely missed.
