Water

Anyone using the hosepipe to wash down their boat is asked to turn the water off at the tap. Last week the pipe was turned off at the nozzle only resulting in a joint opening up and a huge puddle being formed. Remember, we are on metered water so any waste costs!!

Christmas Decorations

Help is required after the AGM to decorate the club ready for the Christmas festivities. Please come along and assist. Many hands make light work - adults and children!

Trophies

If you have not yet returned your trophies to Dave Cobley or Gus Lees, please do so as soon as possible

Appeal for Funds

By now all members will have received a letter appealing for funds for the extension at the front of the clubhouse. The reasons for the appeal are clearly laid down in the letter. Please do your best to make a contribution. Thank you in anticipation. The target and how much has been raised is displayed alongside the plans.

Congratulations

Ross Moreton has gained a place on the Welsh National Laser Squad. Ross, now 16, has been selected for a Welsh Squad place since the age of 8 when he campaigned an Optimist. Ross, along with Tom Piggott from Shotwick, was one of the youngest squad members to be selected and he has been in the Welsh Squad every year since with a Topper and now the Laser.

Family Christmas Morning

Sunday 19th December

From 11.30 onwards

All welcome

The trouble with practical jokes is that sometimes they get elected!!
