**The building!**  
Hopefully, our problem with the balustrade is now resolved and progress should be made fairly soon on getting that job finished. Meanwhile the small group of volunteers has been beavering away inside the building fixing plasterboard and generally completing all the minor jobs that need to be done. Work parties are continuing at the following times;

**Tuesdays, Thursdays, Saturdays @ 10.00 am**  
Contact Tony on 860542 if you can help at these times

There is still a lot to be done.  
Lets get it finished before Christmas

**Recognised Training Centre**  
The Club has passed its annual inspection as a RYA Recognised Training Centre. There has been a change of Principal from Paul Moreton to Gareth Roberts. So now all training is under his control. Gareth is delighted with the way the training programme has gone this year and is looking forward to next season when the programme will be expanded slightly to include Ysgol John Bright.

**TV Filming**  
The Club are supplying a RIB and driver to a TV company filming shots of the Pier from the sea. This will take place on either Nov 17<sup>th</sup> or 18<sup>th</sup>. Gareth Roberts is acting as RIB driver. More details of when the programme is to be broadcast later.

### Winter Series

Due to the work still needed on the extension it has been agreed by the Sailing Committee to cancel the Winter Series. We still hope to run the Boxing Day Race, depending on the weather!

### Sleeping Bags

If anyone has a sleeping bag they no longer use, please contact Liz Whittaker on [gus.lees@fiscali.co.uk](mailto:gus.lees@fiscali.co.uk) as she can make use of them.

### Christmas cards

As in previous years we suggest that members just put one card on the green baize notice board inside the glass door to send good wishes to all their friends in the club.

### Inspired thinking

'As long as we have faith in our own cause and an unconquerable will to win, victory will not be denied us'  
Sir Winston Churchill (1874-1965)
