Remember?

Last winter several boats were not tied down properly in the dinghy park. We are now only three weeks off the Equinox which is the period of strong winds. Please ensure that your boat is well secured and not a danger to other members or their boats.

Email Addresses

Clare Kite has recently been updating email addresses. This is so that we can keep all members with this means of communication in touch with what is happening in the Club. If you have not been receiving News & Views or other periodic communications via the internet, then please contact Clare, Ruth Brown or Tony Lockett. Their telephone numbers are in the club programme. Anyone without email will have to rely on this monthly printed version of N&V, twenty copies of which are placed in the Clubhouse at the start of each month.

Congratulations

To the club secretary's youngest daughter, Ceri Brown who was married to David Waddington in New York on Tuesday 18th August. Ceri was a previous winner of the Club Junior Helmsman Trophy.

Trainee Regatta

The Trainees Regatta finally got under way at the second attempt. Due to the strong westerly, Race Officer Liz Gowers, put the course well into the corner of the bay where the Gt Orme gave the fleet some protection. Fourteen of the junior trainees took part in the regatta with an age range of 7 to 14 years of age. Some of them were sailing in their very first proper competition.

The stronger winds ensured that there were a number of capsizes but their training came to the fore and they continued to race.

On completion of the Regatta and after the Prize-Giving the competitors enjoyed a Buffet in the clubhouse.

Vice Commodore Andy McNamara presented the prizes and thanked all the parents for their assistance, the race committee and instructors who were kept busy in the rescue boats and the ladies for providing the Buffet.

Results

1st Junior Helmsman Trophy - Tim Nye (Topper); 2 - Edward Warner & Michael Roberts (Optimist); 4th - Alex Sharples (Topper) & Vickie Warner/ Sabrina Devlin (Laser Pico); 6th - Morgan Gresty (Topper)

All contestants received a small prize from Training Coordinator, Gareth Roberts.

Most Improved Sailor - Harley Corfield

Dave Abbott

It is with sadness that I have to report another prominent former member of the club has passed away. Dave Abbott raced his Enterprise with skill and dedication. His name appears on many of the Club trophies. He also passed on his sailing knowledge to the younger members of the club when he took on the job of Training Co-ordinator in the late 80's.

The Conwy river will not be the same without him.
