New Slipway

The Borough Engineer is busy preparing plans which should be ready for our input shortly. We are waiting for comments from the Environmental Agency and Countryside Council for Wales. Once these have been received and provided they are of a positive nature it is hoped that work will be completed ready for the start of next season.

Watch this space!

Racing Rules; Racing tactics – The Sailing Committee will be fixing a few dates for talks on these subjects. This should be particularly useful for the trainees moving into the racing fleet as well as the more experienced club sailor. However, the person who will prepare and deliver the talk does need an audience, so please make the effort to support these events.

Generations Cup – This has been re-scheduled for 2nd October with a start time of 12.00. This will tie in with a visit by Chase Sailing Club who will race their Presidents Cup over the same weekend.

There will be a Disco on the evening of Saturday 2nd October

To assist with catering for the Fondue, please reserve a place with either Jo (beardsie@live.co.uk)

or

Ruth (ruthlessinthebay@hotmail.com)

It is with deep sadness that we have to report the passing away of the wives of two club stalwarts.

Elaine Davies and Diane Northam

Both Elaine and Diane were strong supporters of the club willingly helping out at various events whenever asked.

Both served on the Ladies Committee of the Club.

Our sympathy goes to Rob, Phil and their families at this sad time.

Planning permission

At last we have planning permission to go ahead with our extension at the front of the Clubhouse.

The Development Committee have now asked the architect to proceed with detailed working drawings before going to tender, meanwhile we still await the results of our various grant applications.

Eventually help will be required in a variety of ways, so be prepared to get those overalls out, wellies on and join the working parties whenever you are required.

It's that time of the year again!

This is the time when I walk past the club dinghy park and look at all the boats that are not securely tied down. **Equinoxial gales!** I write this on Bank Holiday Monday, the day after club racing was cancelled because of gale force winds! As I have said before

Tie your boats down securely!!

'My way of joking is to tell the truth.
 It's the funniest joke in the world'
 George Bernard Shaw
