Training

This years training programme is almost complete with only one Friday evening left before the Trainee Regatta. Gareth is delighted with the progress made by all participants with several adults, sea cadets and juniors progressing onto the racing scene. Both Craig-y-Don and Blessed William Davies Primary Schools had taster sessions again this year under the 'Onboard' scheme. On the whole, a very successful year. Congratulations to all participants and in particular to all our young Instructors who have once again made a valuable contribution to the success of the scheme.

A boat to Rhos

Austin Bowers initiated and organised a family cruise from Llandudno to Rhos and back. In Rhos the boats landed on the beach for a picnic lunch before embarking on the return journey. It took one hour to get to Rhos but the return was almost twice as long. There were many tired youngsters when they hit the slipway in Llandudno! This could become a feature of the programme in the future

Peter Morris-Gibbons

I have to pass on the sad news that a former Commodore of the Club, Peter Morris-Gibbons passed away on Thursday 18th August. Peter was Sailing Captain in the early 70's before joining the Flag list in 1975, becoming Commodore in 1979. He raced, initially a Solo but was eventually converted to the Fireball fleet. Peter also acted as Assistant Race Officer in several National Championships, notably the double event when the Graduates and the Miracles joined forces in 1980. Our sympathy goes to his wife Barbara and sister-in-law Joyce Wakeham.

MG Car Club

On Sunday 21st August 200 MG cars registered at the club between 7.30 and 10.30 am, before setting out on an 80 mile rally. The registration took place in the new Training room of the extension before drivers and navigators moved into the lounge for tea, coffee and bacon baps. Our organisation was spot on and they have shown great interest in repeating this event next year. A nice little earner for the coffers!
