Southport! 14th to 16th September. Are you going? See you there!

Southport

To ensure that everyone who wants to sail, gets a sail, the Club are entering two boats this year. The 'A' team will be selected on sailing skill and will consist of a small group whose aim is to finish as high as possible.

The 'B' team is for those who want to sail in the event. Their aim is to get high!

There will be a preliminary meeting on Wednesday 5th September to sort out some of the arrangements. This will take place after the last Wednesday night race.

IF YOU WANT TO SAIL - BE AT THE MEETING

Dates! Dates! Dates!

- 5th September Last Wed night race followed by SOUTHPORT meeting
- 8th September Training Regatta
- 10th September Sailing Committee @ 6.45 pm
Management Committee @ 7.30 pm
- 14th to 16th September Southport Weekend

Bar Duty

The Management Committee have decided to restart the procedure of the Bar Keys being handed from the out-going barman to the incoming one, as the storage of the keys in the fridge is unsatisfactory. This will also act as a reminder to the club member that his bar stint is next. There may be a couple of hiccups on this! So please bear with us. All the Committee Members now have their own set of bar keys.

Thanks Ruth

Fastnet Race

Enrico Cabrini has sailed in this years Fastnet race on a boat called 'Ballistic'. With 35 knots of wind and big seas the crew were one of those that never even got to Lands End, wisely turning back into Plymouth.

Enrico has written a short note on his experiences, which unfortunately is still too long to put into N&V. However, I am sure that he will be willing to talk to anyone who is interested about his experiences.

Club Redevelopment

There was a good turn out of members on Tuesday 14th August, when the company looking at the feasibility of developing the club site gave a presentation.

Ruth took notes of all the questions, and now that the Championship is over, this will be circulated by email and posted on the notice board.

Reservations were expressed by several members and these will be taken up by the Redevelopment Committee at their next meeting.

Thank you for some of the ideas put forward.

9ers

A big thank you to all those who contributed to the success of the 9er week. Hard work by everyone saw a successful conclusion to a testing week. If only the weather conditions of the first five days had been like the last two days! We did it! Thanks!

Congratulations to Ben Copley and his helm. They finished in a very creditable 15th place.

Ross Moreton and Tom Jowett were probably the youngest crew sailing together. They managed to complete every race finishing 26th in the Silver fleet. Quite an achievement in the strong winds of the first two days.

Boys will be boys and even that wouldn't matter if we could prevent girls from being girls
