PB2 Courses

Paul is running two Powerboat 2 courses in January. The first one on the 16th & 17th is now full but there are still a few places left on the second course which is scheduled for 23rd and 24th January. Please contact Paul Moreton on 01492 876579 if you are interested. For those with PB2 certificates, there will be a Safety Boat Course in the early spring to qualify you to drive the rescue boats.

Club Race Officer duties

To ensure that the racing runs smoothly next season, the Sailing Committee will be running a refresher course for all club race officers before the season starts. Please attend when the evening is advertised.

Watch this space!!

Working Parties

The last working party was a little light handed. That is the polite way of saying not many members turned up! Here are the dates of the remaining four work parties. Please put these in your diary now!

Saturday 9th Jan & Saturday 23rd Jan

Saturday 6th Feb & Saturday 20th Feb

All start at 10.00 am till Noon or thereabout

That is approximately 8 hours of work to guarantee that all the equipment is ready for the next season.

And with a cup of coffee thrown in!

Also Concreting!!

At the last Management Committee approval was given to concrete the area where the boats are washed down outside the Engine Store. Maurice Wigzell has volunteered to oversee this job but he needs muscle and at this stage expertise. The plan is to start in mid February so that it is ready for the start of the sailing season. The Management Committee have allocated a maximum of £2000 for this job, therefore it is essential that enough volunteers are found to complete within this target figure. Anyone with experience of laying concrete and putting in a soak away, should contact Maurice ASAP on 01492 549292.

Ross Moreton

RYA Volvo Transition Training Squad 2009/10

From the RYA.

Congratulations! On the basis of your recent performance during Phase 1 of the RYA Volvo Laser Radial Open Transition Training, I am delighted to inform you that you have been selected to join the RYA Volvo Laser Radial Transition Training Squad.

The RYA Volvo Transition Training programme is designed to deliver a comprehensive foundation in the key skills and attributes required to make a successful transition into the RYA 'pathway' recognised Youth classes and subsequently, support a number of sailors who have (initially) demonstrated the greatest progression and propensity to succeed in their chosen 'pathway' class, in order to assist them to make a successful transition into the demanding RYA Volvo National Youth Squad programme.

Kirsty Bonar - RYA Single Handed Pathway Manager

This will mean a lot of travelling to various winter training venues!

Well done Ross.

Membership Fees

Good news. The Subs for 2010 have **NOT** gone up! You should be receiving your request for subs shortly. Members are asked to pay their fees promptly and are reminded of the rule introduced in 2009 by the Management Committee that the final payment date is 28th February. After this date a **RENEWAL FEE OF £20 WILL BE ADDED TO YOUR SUBS.**

Family Christmas Morning

A big thank you to all those who contributed to make this a very successful and festive lunchtime, especially Father Christmas! Also good to see some old faces joining the new members
